LinkedIn: linkedin.com/in/ryan-skog/ || Github: github.com/raskog1 || Portfolio: raskog1.github.io/portfolio/

**Summary:**  Full Stack Web Developer with a background in art, technology, and design.  Merging the world of logic and coding with an artistic eye proves to not only be rewarding but creates the desire to find elegant solutions to common problems. Passionate, focused, and unflappable.

**Technical Skills:**
> **Front End Aptitude:**  HTML5, CSS3, JavaScript, jQuery, React
> **Back End Aptitude:**  Node.js, Express, mySQL, MongoDB

**Projects:**

**Study Check || github.com/raskog1/study-check || https://study-check.herokuapp.com/**
- Study Check provides a clear avenue of communication among all levels of education to help keep students on track and informed.
- Used Full Calendar IO to design calendar feature, integrated Todo feature, set up Express server, created database models and structure, set up authentication with JSON web tokens.
- Built with MERN stack, MongoDB Atlas, JSON Web Tokens, and MDB React UI Kit.

**2PLAY || github.com/raskog1/2PLAY || https://go-2play.herokuapp.com/**
- An app that creates joint playlists based on song ratings provided by two different users.
- Architect of the entire backend using mySQL, Express, Node.js, and Sequelize.  Utilized jQuery to dynamically create front end elements.  Assisted with Spotify API integration.
- Built with Node.js, Express, mySQL, jQuery, HTML5, CSS3, Bootstrap4, and Spotify API.

**Work Experience:**

**Director of Services**                                                                        11/13-Present
**Sheraton Grand Hotel,** Sacramento, California – Marriott International
- Responsible for the hiring, scheduling, and productivity of over sixty employees in accordance with Union regulations as well as hotel needs and budget.
- Successfully helped manage and integrate the Marriott merger, including a complete shutdown of the hotel to transition our computer systems to Marriott servers.
- Maintained Starwood standards on training, inspecting, cleaning procedures, building culture, and safety measures.

*Accomplishments:*
- Recognized as a top Starwood leader for Management Leadership and Engagement scores three years in a row (2014-2016).
- Oversaw several large departmental projects including a 500+ room mattress replacement, room fridge installation, and switching to a new laundry vendor.
- Attended Rooms University in 2015, a weeklong seminar geared towards hands on training for rooms leaders within Starwood.

**Education:**   UC Davis Continuing and Professional Education, Davis, California
**Certificate in Full Stack Web Development**
Graduated September 2020

University of Wisconsin La Crosse, La Crosse, Wisconsin
**Received Bachelors of Science Degree in Art with Printmaking emphasis**
